Welcome to Fiddler's Cove Beach & Racquet Club!

Fiddler's Cove is a 23-acre, gated resort community with 24/7 on-site security. Our mid-island location makes all of your Hilton Head destinations just a short drive or bike ride away!

Hilton Head is known for having a seemingly endless variety of activities & events to keep the whole family occupied during your vacation. Fiddler's Cove, in particular, has 7 outdoor Har-Tru clay tennis courts, 4 packed clay pickle ball courts & two indoor racquetball courts — all of which are FREE to guests!

If you're looking to relax & unwind — walk east just 300 yards.... & you will find one of the widest & most pristine sections of beach that Hilton Head has to offer.

If perhaps sand isn't your thing? — maybe a relaxing day of swimming & sunbathing at one of Fiddler's Cove's two heated/chilled pools will better suit you.

And when you need a break from the sun & heat, the Fiddler's Cove Clubhouse can provide you & the kids with an air-conditioned sanctuary. Activities in the Clubhouse, along with racquetball, include ping pong & bean bag toss games.

Or maybe just relaxing & watching TV is more your speed. The entire clubhouse/pool site is also a wireless 'Wi-Fi' internet hot-spot — so don't forget to bring your laptop!

TIPS FOR DRIVING & RULES OF THE ROAD

As you will learn quickly enough driving around Hilton Head Island and even throughout Fiddler's Cove — there are bicyclists everywhere! For the safety of bicyclists, pedestrians & children please obey the posted speed limits on all Fiddler's Cove roads of 10mph.

In order to be granted access to our gated community you will receive a temporary parking pass upon your arrival. Should you arrive at Fiddler's Cove & the guard is not at the entrance gate, please press the # sign on the punch code pad. This will call the guard on their cell phone, as they often have other duties to perform throughout the property during the course of a day.

Upon receipt of your temporary pass, please be sure your pass is visible on your dash at all times while your vehicle is on the property. On the back of your pass, you will notice a 4-digit code that will allow you enter the property by punching in this code on the punch code pad.

On a related note, please be sure your Fiddler's Cove temporary parking pass is visible on your dashboard to the guard on duty so that they may open the gate & allow you to enter the property. It must remain visible at all times while the car is on the premises.

*** Vehicles, such as: CAMPERS, RV'S, MOTORCYCLES, TRAILERS/BOATS, GOLF CARTS and COMMERCIAL VEHICLES are NOT permitted to be parked or driven on the grounds & will NOT be issued parking passes.

WHO DO I CALL...AND WHAT'S THE NUMBER??
